Dual automatic air conditioner
Rear automatic A/C
Leather Seats
Power seat adjustment for driver and passenger
Power windows auto up-down w/jam protection (All)
Multi information display (TFT)
Front cool box
Multimedia touch screen 8" (20 cm)
Bluetooth audio and hands-free
Steering wheel controls - audio, telephone, voice & multi info
Tilt and telescopic steering adjustment
Leather and wood steering wheel
Leather shift lever & knob
Chrome and leather details on parking brake
Paddle shifts on steering wheel
Glove box with lamp, key and damper
1 Power socket 12V
Sliding rear seats
Rear armrest with cup holders
Folding rear seats 40/60
Third row seats, one touch fold
Front seats back pocket with hooks
Coat hooks x2
Inside door handles in chrome
Wireless power door lock
Power door lock (auto/speed sensitive)
Illuminated entry system (inside)
Auxiliary input USB
Microphone and microphone amplifier
6 Speakers
Reverse camera (back monitor)

Exterior

Automatic light control
Rain sensor, automatic wipers control
Roof rails
Painted Grille
Rear spoiler
Mud guards (front and rear)
Chrome door handles
Outside mirrors in body colour with turn signals
Outside mirrors electrically adjustable & retractable
Wide over fenders
Wide Side steps with black cover
Rear window defogger
Front under cover protection
Fuel tank protector
Shark fin antenna design
Colour painted front and rear bumpers
Electrically powered back door

Safety

ABS - Anti-lock Braking System
VSC - Vehicle Stability Control
Driver & passenger airbags (SRS)
Driver knee airbag (SRS)
Side airbags (SRS)
Curtain airbags (SRS)
ISOFIX points for child safety seats x2, second row
Child locks, rear doors
Immobilizer, siren, ultrasonic sensor & glass brake
High mounted brake light (LED)
Seat belt warning buzzers (driver, passenger, rear)
LED Daytime Running Lights

Technical

LED type main Headlamp (Sequential)
LED rear combination lamps (Sequential)
LED Fog lights
Auto Headlamp
Alloy wheels
Alloy spare tyre
Tyre dimensions 265/65R18
Cruise control
Power mode driving modes (Eco, Normal and Sports)
DAC - Downhill Assist Control
HAC - Hill Start Assist Control
MTS - Multi terrain select
TSC - Trailer Sway Control
Pitch and Bounce Control
Electronic power steering
Follow me home lighting system
Rear differential lock
80L fuel tank capacity
4WD switch (4x4 models only)
Smart entry & Start system ("keyless" entry & start)
Clearance sonar (Front x2, Rear x4)
48V Battery for MHEV
Vehicle width 1855 mm
Overall height 1835 mm
Overall length 4795 mm
Ground Clearance 279 mm

MILD hybrid

Warranty is valid up to 5 years or 150,000 km for vehicle and 1 year or 30,000 km for conversions, whichever comes first. We reserve the right to alter any details of specifications and equipment without notice. No guarantee is given regarding the accuracy of information within this document. Vehicle body, specifications and trim colours might differ slightly from the data within this document. Please check model availability and full specification details with your Toyota dealer prior to ordering. MILD *hybrid*

What is a Mild Hybrid System:

A mild hybrid system makes use of a small electric generator that is installed in place of the traditional starter and alternator. This increases fuel efficiency and reduces CO2 emissions by allowing fuel-intensive actions such as rapid acceleration / restarting after a stop, to be supported by power from the generator instead of the motor.

Using the combination of a turbo-diesel engine and a 48-volt battery electric motor generator, the 2.8ℓ Fortuner 48V lets you reimagine the way you drive. Its mild hybrid system aids in downhill assist control (DAC), ensuring a smoother drive no matter the terrain.
